This beast of a toolchest is what completes any man cave, garage and workplace to store all your welding and cutting gear, not to mention all your other ancillary tools!

With 100's of toolchests in the market it's hard to know what to choose. The CIGWELD ARCLOCKER has made the decision for you! Many cheaper units are exactly that – cheap, nasty and won't last. Like all CIGWELD products, the ARCLOCKER has been built to stringent quality requirements and has taken customer feedback and turned it into exactly what you need, and at an affordable price.

Built from high grade steel, robust carry/shift handles and of course, soft closing sturdy drawers this unit is certainly built to last!

NOT ALL TOOLCHESTS ARE CREATED EQUAL – ARCLOCKER SETS THE BAR HIGH, VERY HIGH!
